CALL FOR PAPERS

Interested individuals can submit an abstract by **March 31st, 2025**.

The abstracts should focus on:

- Typical or atypical development of communication and language in different forms and expressive modalities.
- The interactions between language development and other developmental domains.
- The role of individual and environmental factors in communication and language development.

Submitted abstracts will be evaluated through a peer review process. Acceptance of the abstracts is contingent on the payment of the membership fee to CLASTA or the registration fee for the event by at least the first author.

AWARDS

On May 23rd, during the Assembly of members, the following will be awarded:

- Laura D'Odorico Award - Best Graduation Thesis in Speech and Language Therapy for the Academic Year 2023-2024
- Best PhD Dissertation 2023-2024
- Best Poster 2025

REGISTRATION FEE

Free participation for members in good standing with the 2025 membership fee:

€60 (for scholars and professionals)

€30 (for early career scholars such as students, PhD students, and research fellows)
